

Historic Motorsport Related Clubs NSW/ACT

Colleagues,

I am pleased to be able to advise you that the minutes of the last Australian Historic Motor Sport Commission have been approved by the Chairman Bob Cracknell, and are now available on the CAMS website.

The meeting took place over 2 days so much was discussed and the minutes are comprehensive. I would suggest that you have a look to determine if there are matters of particular relevance to your club and members.

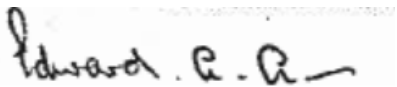

In my communication earlier in the year I suggested that we might have a meeting in late June. This was a thought primarily because I anticipated that, as on previous occasion, the minutes might not have been ratified and available. Fortunately that is not now the case.

I am loath to pursue the idea of a meeting in full winter, however I would suggest that we might come together a little earlier in the year before the Commissions next main meeting so that I can be fully appraised of any matters you want me to raise.

I will be in contact a little later to talk agenda items and confirm a date.

In the meantime if you wish an clarification of the minutes or I can be of assistance with any other matter, please do not hesitate to contact me at your convenience (0409 794 033, edwardgavin@unwired.com.au, Edward_gavin@live.com.au)
