Austin-Healey Owners Club (NSW) Inc. Committee Report to AGM November 2020

What a year! We've had everything: Club 'normal service' from July 2019 to March 2020, despite catastrophic bushfires that laid country NSW low, but not long after the fires had been brought under control, we were assaulted by the coronavirus.

In summary this was your Club in 2019-20:

1. Financially the Club continues to prosper, monitored by our very careful Treasurer, John Sherman.
2. General meetings continue to be reasonably well attended even if we can't currently have dinner and a chat together before the meeting. Those who don't attend can read the minutes in *Flat Chat* courtesy of our very efficient Secretary, Julie Lee.
3. Conditional registration has continued to expand with members taking advantage of the concession for over 190 vehicles.
4. Our new website has progressed during the year under the able leadership of Jim Phillips. Please use it to get the latest Club news or check your membership status, and please send in photos to share them with other members.
5. Mid-week runs have continued thanks to Pam and Doug Ross and Colin Rule.
6. We were 'regaled' wonderfully by Colin Rule, who sold to Club members all sorts of Austin-Healey memorabilia as well as Central Coast honey (extra special), model cars, umbrellas, stickers and more 'ephemera' than you could poke a stick at.
7. Our library has had a couple of moves, and we are trying to make it more accessible to members – check the website for the catalogue, and maybe call Ron Strange to reserve a book.
8. Sadly, Donald Healey's Birthday could not be celebrated with a car show in 2020, and the National Rally was another victim of COVID-19, just like our traditional General Meetings. The Committee had previously decided not to hold a Club Supersprint in 2020, which with the impossibilities presented by COVID restrictions was perhaps 'just as well'.

Socially, we began the 2019-20 Club year in style with the celebration of Donald Healey's birthday at Parramatta as usual, organised by Ross Penman. In August, John Sherman guided a group of members to Temora for a long weekend. In September the All British Day at Kings School included a Healey and 17 big Austin-Healeys amongst many other beautiful and interesting British cars.

October saw Charlies Run visiting Victoria and meeting some Victorian club members for a few days at Echuca, visiting Blayney, Junee and Narrandera en route. (I can't remember who organised that.)

Our November Display Day at Parramatta Park also featured 17 Austin-Healeys and a Healey and additionally a single Jensen-Healey. This was despite rain dampening enthusiasm on the day. The Warwick Farm Concours d'Elegance saw the ex-Ross Bond 3000 on show once more courtesy of Colin Rule.

Leaving our cars aside for once, quite a few members enjoyed a very convivial evening at our Christmas Party at North Ryde Golf Club. (Yes, I know some drove A-Hs to the party, but for once, that wasn't the main point of the meeting.)

Despite the fires we started 2020 with a splendidly sunny and pleasant Presentation Breakfast at Philip Bloom's spacious home at Belrose, attended by a good selection of Austin-Healeys, a Jensen-Healey and of course Phillip's Silverstone bodied Healey, and quite a few Club members too. We also had a bit of Committee renewal, with a new President and Vice-President, and during the year we welcomed Helen Vance to the Committee as Social Secretary. I'm sure that you will all join with me in sincerely thanking all of the 2019 Committee for keeping the Club active and in good health.

The bushfires devastated huge swathes of NSW, and to try and help at least one or two country towns, we undertook our first, and possibly only, "Fire Frolic", whereby in March at fairly short notice, 20 intrepid members in eleven cars set out for a long weekend based in Wingham. Despite the atrocious weather on Sunday and Monday, all had a great time and we managed to put over \$10,000 into the local economy around Wingham. (I also found several new ways for water to get into our car.)

Our first intimation that COVID-19 was going to affect our Club in a big way was when in March the Victorian Club postponed the 2020 National Rally to 2021, and your NSW Rally organising committee put everything on hold for what would have been the 2023 National Rally. Then in April the Committee decided that it was best for all if we ceased face to face meetings for a time, so we only just made it to Wingham! And so, in place of meeting at the North Ryde Golf Club, we Zoomed our first internet General Meeting on Wednesday 7 May.

In June we were being optimistic, headlining *Flat Chat* with "It Won't be Long – enjoy winding roads – gather together" etc. Well I guess that depends on your definition of 'long', for at the time of writing this report, whilst some restrictions are being lifted, there is no end in sight for the pandemic, and social restrictions continue. Thinking of the impact of COVID, we all must thank Patrick Quinn, without whose efforts editing, writing (part) and distributing *Flat Chat*, many of our members wouldn't know what was (or wasn't now) going on in the Club.

On a brighter note Helen Vance, our then Social Secretary, launched a Member Survey in March. We had a great response from the members and its results and implications were presented to the Committee and the Club in May. This has given us a great base for expanding our social and other activities as we have better knowledge of our members' likes and wishes. I must however remind members that if you really want Club activities to be expanded you ought to consider volunteering to assist the Club. For example, if members want competition to be reinstated, we must have a volunteer to take on the role of Competition Secretary, and we will need other volunteers to help hold competitions.

In April the Austin-Healey family world-wide lost one of its scions when John Wheatley, author and for many years keeper of the UK Austin-Healey register, and all round nice chap, died. Sadly, we also lost some Club stalwarts during the year and extend our condolences to their families and friends. Happily we also celebrated a 60th wedding anniversary in February. Congratulations once again to Terry and Patricia Bancroft!

Finally, I'd like to give a big "Thank You" to the Club's officers and volunteers who have all played their part in making this yet another very successful year for this Club, and particularly Jim Phillips who Presided for the first half of the year before retiring at the 2019 AGM after a very successful five year stint as President.

Gordon Lynas
President, on behalf of your Committee.
