Donald Healey Birthday Display Day 2 July 2023

The 100M of George and Liz Goodare (L) with the BN2 of Richard Lloyd.

In a year that marked the 125th birthday of Donald Mitchell Healey (3 July), we gathered together at Parramatta Park to celebrate the occasion with a showing of cars that are connected with his name.

Throughout the day we were pleased to see 27 Austin-Healeys, Two Alvis cars and a Triumph.

Once again this significant day was ably organised by Ross and Jenny Penman. Also again, Ross and Jenny ensured, no doubt with

Donald's help, that we were blessed with warm winter sunshine. It was noted that each year since this event was first held in 2015 we have enjoyed clear skies and this year was no different.

Held in conjunction with Donald's birthday was our annual Show and Shine, capably organised by Colin Rule, who was assisted by Ian Clayton, Allan Whitehouse and Patrick Quinn. Following due inspections, the following vehicles were selected.

POST: AHOC (NSW) Inc
PO Box 2754
North Parramatta NSW 1750

EMAIL: enquiries@austinhealeynsw.com.au
WEB: www.austinhealeynsw.com.au
FB: www.facebook.com/groups/681723625314952/

Our monthly meetings are held at Strathfield Golf Club, 52 Weeroona Rd, Strathfield NSW 2135 on the 1st Thursday of each month commencing at 7.30pm.

Members and guests are welcome to join us for dinner in the bistro from 5.30pm.

PRESIDENT'S MESSAGE

I'm not sure what I should be reporting this month, but encourage you to read the rest of this issue of the *Flat Chat Newsletter* as I know that it contains reports that include some of the following and going to be better expressed than I can cobble together.

At the top of everyone's mind is the passing of our life member Terrence Bancroft at the beginning of last week. I think his involvement with the Austin-Healey movement is best summed up by Joe Armour

"A truly great person. Terry had time for everyone and worked hard to support the causes he believed in. Terry initiated club regalia, the All British Day, Brass Monkey Breakfasts, trips to Tasmania and similar events to promote member participation. He arranged for club magazines to be bound and saved. Over the years he held many club senior

positions. Overseas Austin-Healey events were a feature of Pat and Terry's life where they made many long-term friends. And he always saw the positive and funny side of life."

Unfortunately, Terry's wasn't the only passing that we record over June as both Jennifer Sell, the wife of the late life member Warwick Sell, and Peter Burge-Lopez who many will not know, but used to attend our show and shine events in his blue Austin-Healey 100.

To the families and friends of

these members we extend our condolences.

Check out the articles on the Donald Healey Birthday celebration held in conjunction with the club's Show and Shine. A truly fantastic day from all aspects, including the weather, and it was great to renew acquaintances with members that I hadn't seen for a while as well as to meet members that I hadn't previously met. It was also pleasing to see the number of visitors that dropped by to admire the cars, take photographs and talk to owners about their vehicles.

EXHAUST LEAKS

By Patrick Quinn
(02) 4567 7380
0417 673 065
p.quinn@outlook.com

Greetings and welcome to the July 2023 issue of the Flat Chat Newsletter and by this stage you are doing well as you have reached page three and only 27 to go.

Sad to say that this issue doesn't carry the gladdest of tidings. From the end of May until just last week we lost three club members. Peter Burge-Lopez, Jennifer Sell and Terry Bancroft. Very sad indeed and I hope that the words are appropriate for the loss. By the way those members who wish to reflect of the loss of Terry Bancroft you are very welcome to come along on Wednesday 12 July to Pinegrove Memorial Park Kingston Street, Minchinbury in the North Chapel at 10.00am. There will be an opportunity for us to reflect and reminisce at Pinegrove after the service.

You would have seen the cover story for this issue is the Donald Healey Birthday Display Day held at Parramatta Park on July 2nd.

While the numbers were a little down, the day was delightful. A sunny winter's day and an open sports car, what else would you want?

Again many thanks to Ian Richter for his update snippet on the restoration of his 100. When Ian started on his project, I sort of leaned on him to send me some words and photos every month. So far so good, but I know that producing words like that on a regular basis isn't as easy as it sounds. Thanks again Ian.

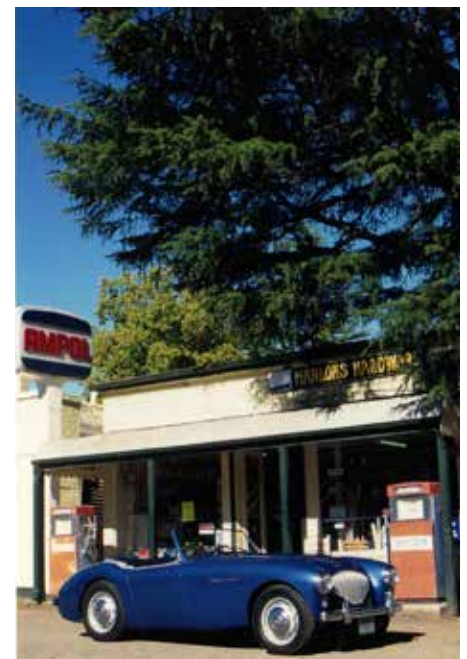

Again there are lots of social information in this issue including news from the Central Coast, Illawarra/Southern Highlands and Mid-North Coast Chapters. Plus previews of things to come. And yes there are minutes to salivate over. Thanks to Giles Alexander and Bryan Levy for sending in photos that all will enjoy.

I am pleased to pass on some good news with the Quinn Austin-Healey. Yes the engine is now running and before long it will be back on the road, via enjoying some panel work at Platinum Smash Repairs. After that there is the trim to go in and then it's into the blue yonder. Now that will be exciting.

By the way has anyone lately purchased a new battery? Some years back I bought a rather large one and it set me back \$160 which

then I thought then was expensive. Due to lack of use I had to buy a new one a week or so back. About the same size, with a little more output and the cost? Just \$245. Yes it's another 'Why Is It So?' Am I a glutton for punishment? I'm actually looking forward to spending some quality time the Quinn Healey Saloon.

Despite the less than happy content within this issue I trust you enjoy this issue of the Flat Chat Newsletter. Please if you are doing some work to your car or taking it for an enjoyable run, let your fellow members know by sending in a few words and perhaps a photo or two relevant to the story.

There really is a Quinn Austin-Healey.

Monthly Meetings

**We meet on the first Thursday of the month at Strathfield Golf Club
Weeroona Rd, Strathfield. Starting at 7.30pm or enjoy dinner from 5.30pm**

Minutes of the General Meeting

Thursday, 1 June 2023

Venue - Strathfield Golf Club

Meeting commenced at 7:35pm.

ATTENDEES

As well as members present at the Golf Club, three members attended by video (Zoom).

VISITORS & NEW MEMBERS

N/A

APOLOGIES

Mark & Gabby Bancroft, Harley Boggis, Jeff Burton, Chris & Dina Dimmock, Bruce Ewan, Mal French and Garry Lee.

APPROVAL OF MINUTES

Resolved that the minutes of the General Meeting held 6 April 2023, as published in the May 2023 issue of Flat Chat, be verified as a correct record of that meeting.

PRESIDENT'S REPORT

Jim reported on the outcome of a couple of proposals at the National Delegates meeting. The first being the adoption of the word "Australia" into the names of the five Australian Austin-Healey clubs. This was rejected by the members present. A more structured National Delegates meeting was agreed to.

VICE-PRESIDENT'S REPORT

No report, but here's a nice photo of Geoff's car.

been received offering for sale a 100 engine block, although upon Patrick's closer inspection of the photos, this unfortunately turned out to be an A90 block.

SOCIAL SECRETARIES' REPORT

Denis provided an update on Bruce's recovery from his nasty bicycle accident, then went through the social schedule for the next few months. Contrary to the update at the March meeting, apparently the All British Day was now going ahead at The King's School, on 17 September.

TREASURER'S REPORT

Jenny reported on the Club's bank accounts and money coming in and out:

Account	Available	Current balance
Cash Reserve Account 01-01-2023	\$62,047.75	\$62,047.75
Charles Run Account 01-01-2023	\$1,044.11	\$1,044.11
Debit Card 01-01-2023	\$256.54	\$256.54
Man Account 01-01-2023	\$10,664.54	\$10,664.54
Cash accounts total	\$43,992.74	\$43,992.74
Investments		
Term Deposit 01-01-2023		\$40,000.00
Investment accounts total		\$70,000.00

April and May

Received

• Membership	\$100.00
• Social Events	\$304.00
• Regalia	\$4,134.45
• Credit Card Fees	\$57.91
• National Rally	\$2,555.00

Paid

• Name Badges	\$112.00
• InDesign	\$119.96 4 months
• Parramatta Park	\$590.00
• Regalia	\$1,314.50
• Credit Card Fees	\$300.49
• National Rally	\$12,548.00

SECRETARY'S REPORT

The Club had received the usual bunch of electronic magazines from other clubs. An email had also

SOCIAL SECRETARY'S REPORT

3 June	Central Coast Technical Workshop- run to Cardiff
10 June	Sydney Technical Workshop - 9.15 to midday Greg Strange garage Darlington
24 June	Goulburn Rail Heritage Centre 2.30pm Garroorigang Historic House.
25 June	Rose Café Goulburn Ham Brunch optional return to Sydney via Bungonia, Nerriga and Nowra
2 July	Donald Healey Birthday and Display Day

Denis ran through the Sydney/Central Coast events coming up and added another to the list, being the Oasis Club on Tuesday 6 June. Ross asked everyone to RSVP through the website for the DHBDD. On behalf of the Illawarra/Sth Highlands Chapter, John Thornton then spruiked his Fairground Follies on 21 June. Chris, on behalf of the Mid-North Coast Chapter, advised their next gathering would be at Croki on 25 June.

WELFARE OFFICER'S REPORT

Pamela had been busy sending cards, including to Don Read for his 85th birthday. Sadly, the Club had also had a couple of members recently pass away – Peter Burge-Lopez and Jennifer Sell.

WEBMASTER'S REPORT

Webmaster Jim advised that the process for new members had been streamlined, plus membership renewals had been automated. He reminded everyone to make sure to “save changes” when updating their information and also encouraged everyone to RSVP to events through the website if possible.

MEMBERSHIP

Christine reminded everyone that membership fees were due by the end of June. Invoices would be going out shortly.

New members for the month were Phil & Sheridan McCarroll with their replica 100S.

RALLY REPORT

Gordon gave a quick report on the May National Rally. Attendance had been strong, with an impressive 64 Austin-Healeys lined up at the Show & Shine.

EDITOR'S REPORT

Flat Chat had been sent out the previous evening and Patrick thanked everyone who'd contributed.

REGISTRAR

Historic Vehicle Registration News

Patrick reported that there were now 224 vehicles on historic registration plus one on classic registration. He reminded members that if they deviated from a direct route to or from a club event they'd need to fill in the logbook.

HISTORIAN

No Report

LIBRARIAN

Nothing to Report

TECHNICAL OFFICER/CLUB EQUIPMENT/SPARE PARTS

Greg Strange reminded everyone about the June long weekend event at his workshop and asked that members let him know if they were attending.

PUBLIC RELATIONS REPORT

Nothing further to report.

CMC REPORT

Ray advised that the story doing the rounds about the police targeting the St Ives Coffee & Cars event and checking log books turned out to be just a story. There was further discussion on Club-approved events and when logbooks needed to be signed, but “if in doubt, fill it out”.

Ray also advised of an update about seatbelts, which was that if the seatbelts were fitted in accordance with the workshop manual or seatbelt manual, you no longer needed to spend \$\$\$ to get an engineering certificate.

ASSOCIATION OF BRITISH CAR CLUBS

Nothing to Report.

CSCA REPORT

The next Supersprint was coming up on 17 June at Pheasant Wood, run by the MGCC of Newcastle.

CLUB CHAPTERS

John Thornton (Illawarra/Southern Highlands), Chris Hatch (Mid-North Coast) and Colin Rule (Central Coast) provided quick updates.

REGALIA

Colin had more hats for sale than you can poke a stick at! And he had loads of other stuff too.

Pres Message cont'

Special thanks to Ross and Jenny Penman for arranging for this day to happen. Thanks also need to go to Muriel Roberts, Christine Lyttle, Caroline Quinn, Bruce Ewan, Geoff Smith and Mal French for cooking and serving lunch and to the show and shine judges Colin Rule, Allan Whitehouse, Ian Clayton and Patrick Quinn. Make sure you read the report for all details.

Finally, the hybrid meeting. Last month we had our first meeting where members could join via Zoom and three members took advantage of that facility. Personally, I felt that the meeting lost a lot of the camaraderie that makes our meetings unique and interesting, so I'm keen to be able to include that aspect as we go through the trial period. Thank you to our member John Wakeling, who is also president

SHOW & TELL

Nothing to report.

GENERAL BUSINESS

The question of legal liability of the Chapters was raised and although it was thought there was no issue, it was agreed that the Committee would investigate and advise the outcome.

Meeting concluded at 9.00pm.

of the Z Car Club, for the use of their equipment and his expertise in assisting in setting up the facility. It is very much a learning curve for us, firstly to overcome the technical challenges and, also to have a meeting that is inclusive of all participants. Some of the ways to improve the meeting involve the purchase of additional equipment which, at this stage of the trial period is not a good investment. So, the invitation is now for members to join our monthly meeting in whatever format is best for them and to let me know what we can do to make the experience better for you. I can't promise to be able to implement all suggestions, but will take them on board.

Jim Phillips
President

Interested in a single 6 inch, 72 spoke chrome wire wheel with 195-15 tyre, that's in as new condition?
Well John Burch has one for sale for \$350.
You can contact John on 0411 195 088.

Membership Report

by Christine Lyttle - membership@austinhealeynsw.com.au

If you have not paid your membership fees they are now OVERDUE!

Just to remind everyone the end of the club's financial year was 30 June. All members were invited by email to renew their membership. You can do this by making your payment of fees to the AHOC bank account - details are BSB 032-669 Account 252564 and put your surname in the description – if only able to use numbers please insert your membership number or postcode and email me to advise your payment.

We have 60 memberships still outstanding. Remember if you have a car on Conditional Registration and you have not renewed your membership your registration has lapsed.

A payment was made on 30 June 2023 for \$100 with a description 111111 – if this is your payment, please drop me a line as I am unsure where to allocate this.

Car details can be updated by you on the website, please log on to the website and update them. We need to ensure that we make use of our website rather than keeping alternative registers as these all take time to update.

Membership Cards will be available online from the website shortly once your current membership fee is paid. We are still working on this and hope this feature will be available very soon.

We will also have an online membership form available on the website shortly for new memberships. It will not be necessary a membership form for a renewal.

A large, stylized stamp that reads "DUE" in a red, distressed font inside a red rectangular border, with the word "PAYMENT" in a black, sans-serif font below it, tilted at an angle.

No new members this month.

It is with much sadness that we report on the loss of three of our members this month, Jennifer Sell, Peter Burge-Lopez and Terry “Bangers” Bancroft. Rest in Peace all. No doubt Patrick will have included some words about each member elsewhere in this issue of the Flat Chat Newsletter.

It is indeed certainly sad to lose three members within a short period of time and my condolences to the families of Jennifer, Peter and Terry.

I certainly extend my condolences to all the families of Jennifer, Peter and Terry.

Wishing a speedy recovery to Leslie Lloyd after a fall and breaking her hip and leg.

Thank you to Kathleen and Kris Long for bringing along the Repco goodies to the last General Meeting for members to help themselves.

As Jim Phillips has stated in his report, we will be having the General Meeting as another hybrid this month, so if you are not able to attend, maybe logon to your computer, iPad or phone and join in on ZOOM.

At the June monthly meeting.

Donald Healey Birthday Display Day, Parramatta Park

Donald Healey's Birthday celebrations were held Sunday July 2 at Parramatta Park. Geoff Smith, Mal French and Ross Penman cooked up a feast with luscious minute steaks and sausages, while Jenny Penman, Christine Lyttle and Muriel Roberts ensured that salads, bread, drinks and cakes rounded out the lunch.

There were 30 cars in attendance, 27 Austin Healeys, 2 Alvis and a Triumph 2000. For the AHOC Show and Shine cars were judged in classes. For more detail see the report starting on page 1.

A huge thank you to Ross and Jenny Penman for organising all of the elements for the Donald Healey birthday celebrations.

Goulburn Visit

Saturday 24th and Sunday 25th June saw the Club's overnight run to Goulburn, where the main events were the Goulburn Rail Heritage Centre, The Roses Cafe brunch and Garroorigang Historic Home.

Saturday began with the plan for eight participants in four cars to meet at 11.30am at Pheasants Nest Service Centre on the Hume Motorway. This unfortunately didn't happen, as the Service Centre was closed for renovations, so we met instead at 12.45pm at Trappers Bakery, Goulburn, where an open fire and tasty lunch were enjoyed prior to our 1.30pm tour of the Rail Heritage Centre. The tour was interesting and informative, with some important restorations in progress including the modified railway 'pay bus' that carried HM Queen Elizabeth from Coffs Harbour jetty to Coffs Harbour township during the 1970 Royal Tour.

Saturday's activities concluded with a delightful gathering for drinks and dinner at the Mercure Hotel, Goulburn.

By the 11am Sunday Brunch at The Roses Cafe, the party had increased in number to 14. Members were delighted to be reacquainted or introduced to founding club member Don Read, who was there thanks to the good graces of Alan Mitchell.

Above. Don Read (R) with Alan and Karen Coles.

After brunch, two participants set off for Melbourne and six headed for the tour and afternoon tea at Garroorigang Historic Home. The tour turned out to be surprisingly enjoyable and entertaining, with two of our party discovering connections and synchronicities with the owner Stuart Hume.

The mid-afternoon conclusion of our very enjoyable Goulburn visit, with two members returning to Wollongong via Kangaroo Valley and four returning to Sydney via Bundanoon. Another afternoon tea was enjoyed at Bundanoon with members of the Triumph TR Club, who were having their early Christmas in July Weekend.

Participants and vehicles were:

Daryll and Cheryl Dobe - Austin-Healey 100
 Glenn and Kimmy Hogan - Austin-Healey BJ7
 Susie Doctor and Denis Kasza - Austin A99
 John Sherman with friend Howard - BJ9
 Alan Mitchell and Don Read - BJ9
 Ray and Muriel Roberts - BJ9
 Ex Members Alan and Karen Coles BJ9

Painted Silos Run

Terry Bancroft has been instrumental in bringing club members together, creating wonderful experiences for so many with the Brass Monkey run, Tassie Tour and creating the Silos Tour to happen in September. In honour of Terry, the Silos Tour will proceed. Most aspects of the Tour have been confirmed and booked. If you intend to participate in the Tour, or if you have already booked please advise Denis or myself.

Bruce Ewan 0432 096 493 or Denis Kasza 0407 492 008

The July meeting is scheduled for 7.30pm Thursday the 6th at Strathfield Golf Club Weeroona Rd, Strathfield. Come along from 5.30pm and enjoy dinner in the bistro with your fellow club members.

Chapter News

Central Coast Chapter – 3rd June

A perfect Saturday morning's drive through the beautiful northern end of the Central Coast and the Lake Macquarie area.

Seven cars in total left the Ourimbah Rest Area in convoy just a tad after 10 am taking in some of the most beautiful scenic areas as we passed through Dooralong. The newly hot mixed Mandalong Valley switch back road was just perfect for our Austin-Healeys.

We negotiated some traffic through Morisset, but then the traffic thinned as we drove on through Dora Creek, Myuna Bay, Lake Macquarie, Toronto and then onto our destination at Cardiff.

Now Folks!! All I can say is, we drove into Aladdin's Cave!!! I counted around 21 cars in Denis Tobin's Man Cave. All beautifully displayed with loads of written history on the individual classics.

Denis gave us a 90-minute guided tour through his premises which was absolutely fascinating. Most of the cars belonged to Denis and his daughter Lisa.

Now I know you are all starting to pay attention because the list of classics are things like a Lister Jag, three MGBs, Holden Monaro, E-type Coupe, one of Dick Vermillion's open wheelers called Henry the Eighth, Fiat 1500, Sunbeam Rapier, three Sunbeam Alpines, Buckle coupe fitted with a Raymond Mays head (driven by Jack Brabham), Renault Gordini, 1954 speed car, Morris six, moulds for a Lola Climax, Formula 2, 105 Rover, racing Bug Eye driven by Peter Manton, racing A 30 and a 1956 F100.

So as you can see we had a very informative morning and to top it off Denis put on a barbecue lunch consisting of sausage sangers, coffee, cookies and cake. We also caught up with six other Austin-Healey owners from the Newcastle and Port Stephens area.

In appreciation of the morning we presented Denis with some relevant artefacts to hang on his walls and a model Austin-Healey for his display cabinet. What a Man Cave!!! And what a great treat.

Enthusiasts from the Central Coast chapter were Julie and Garry Lee BJ8, Jim Phillips BN4, Roger Ramsey and Col Rule 100, Mark McAllan BJ8, Lew McAllan BN7, Doug and Pamela Ross BJ7 and invited guest Richard Cardew with his Sunbeam Alpine.

By the way, the road trip up to Cardiff was so good some of us drove back the same way. A fabulous day driving our beloved Austin-Healeys.

The next Central Coast Austin-Healey Workshop

Mid-North Coast Chapter Meeting – Saturday 24th June

Present:- Tony Ash, Allan Bryson, Chris & Lyndell Hatch, Glenn & Barbara Roberson, Glenn Nisbet and Phil & Anthea Lorking.

will be held on the 1st of July starting time 9am, 109 Humphreys Road Kincumber South. The theme for the day. Preparing our cars for the Donald Healey Display Day due to be held on July 2nd at Parramatta Park.

Don't forget to bring your cookies and cake to share, coffee and tea will be on tap as usual. "All very welcome"

Take care and Happy Healeying. Col and Kerrie Rule.

Chris explained and demonstrated the various uses of the multimeter by testing the following:-

- Condensers
- Electronic Distributors
- Coils, both primary and secondary windings
- SU electric fuel pumps

Chapter Cont'

Chris volunteered to write up the processes in the near future, for publication in Flat Chat.

Tony Ash bought along his newly purchased 3000 Mk2 Roadster with hardtop attached, and I checked and made adjustments to the paint colour I had mixed earlier in the week based on the car only. The paint is for the air vent to be fitted to the hardtop.

A lengthy morning tea was enjoyed as the tempera-

ture outside the shed in the sun, was far more agreeable than inside.

There will be no meeting in July due to family commitments, however the August meeting and subsequent meetings will be now the third Saturday on the month.

Till Next Time

Cheers. Phil Lorking

Illawarra & Southern Highlands Chapters - 21st June

FAIRGROUND FOLLIES

Everyone arrived for our 10:00am tour of the FAIRGROUND FOLLIES. The sun was shining and the temperature, a brisk 6°C.

We were greeted at the door by our military escort, a trio of laughing clowns and a promise of a 100 years of fun!!

The cavernous building held a treasure trove of unique fairground musical equipment. A 100-year-old carousal, dance hall organs, gypsy caravan, the original Luna Park Merry-go-Round and 1000s of glittering lights and so much more. Everywhere you turned there was another interesting piece of musical history.

Three of our local members turned up in their Austin-Healeys, Mark and Bronwyn Righini in their 3000 and David McIntyre in his Sprite.

Members attending were Joe Armour, Chris and Lyn Fitzpatrick, David McIntyre, Mark and Bronwyn Righini, Robert and Anne Sassall, Jenny and Ross Penman, Gordon and Louise Lynas, Colin and Delwyn Goldsmith and John and Fran Thornton. I invited past members Neil and Glenda Thew who

had a great catch up with club members they had not seen for several years.

The event generated a lot of interest as many members invited family and friends to attend, with our group totalling 40 attendees.

Following the tour, 35 of our group adjourned to the Sutton Forest Inn and enjoyed a great pub lunch. A very big “thank you” to Jenny Penman for handling the finances for the event.

See below the magnificent ‘Mortier Taj Mahal 101 Key Organ’. Built in Antwerp, Belgium in 1924. One of only two constructed and the only one remaining. The façade is 8.5 metres long and 8.0 metres high.

John Thornton

Some of the happy faces after a great day out.

Historic Vehicle Registration News

If you have a car on Historic Vehicle Registration you should read this.

It's a good thing that I still have quite a bit of hair left on the top of my head, because if I was given to pulling it out, there wouldn't be much left after the month of June. What with members sending me their registration renewals by registered post; unaddressed Express Post envelopes; and blank Historic Vehicle Declarations I was driven to distraction.

What will it take for all members who have cars on Conditional Registration to realise the small amount of work to be done, so that the process runs smoothly?

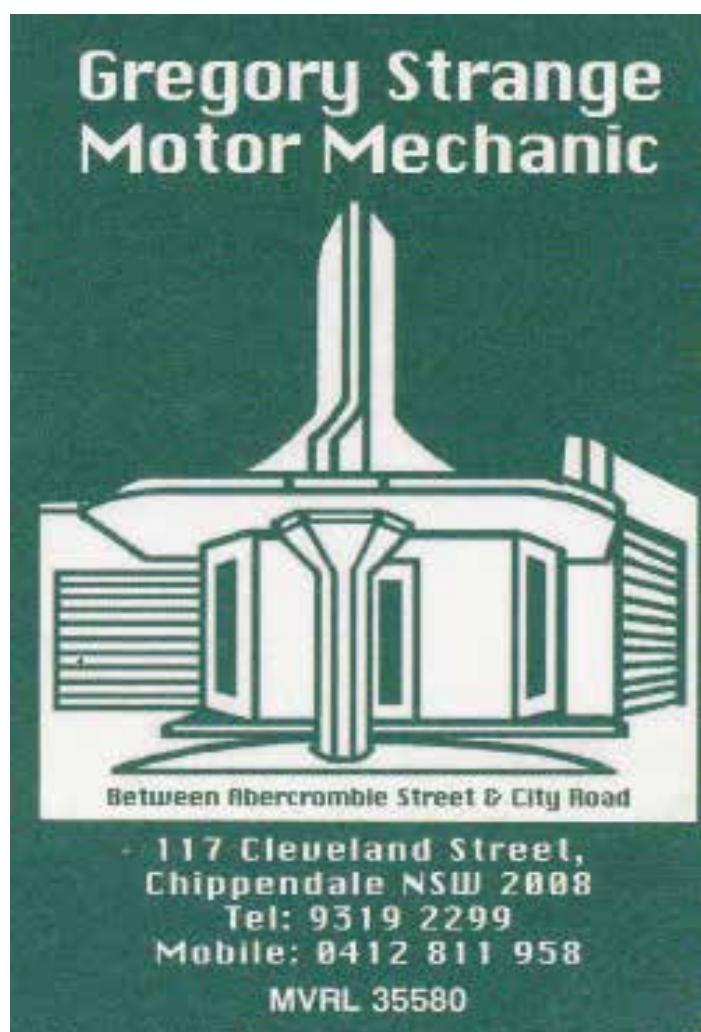

It's always good to have a wise woman in the room next to my study. Caroline heard my sounds of exasperation

and suggested that when next, each member renews their Conditional Registration they be sent a note explaining what has to be done. Great idea! You will all receive a note to stick on the fridge door or on your garage wall or wherever and apart from the necessary renewal steps, it will also explain when you should be making an entry in the logbook and when you don't need to. Important!

Being July, it means that it's a new AHOC financial year and you would have been invited to renew your membership. It is of course your business whether you renew or not, but if you don't and you have a vehicle on Conditional Registration through the AHOC it is no longer registered from 1 July. That is irrespective of whether there is five days or five months left on the registration. Once you are not a member of a recognised club such as the AHOC your car is NOT registered. You may however have joined another recognised car club and informed Transport for NSW, meaning that your registration remains current.

Again, the necessary renewal steps are indicated below.

- Once you have received the renewal papers from Transport for NSW, arrange for your vehicle to be inspected for roadworthiness by either an Authorised Inspection Station or one of the volunteer AHOC inspection officers. See page 2 of this Flat Chat for their contact details. Remember all vehicles, including Historic vehicles need to be inspected and passed as roadworthy.
- Complete the left-hand side of the "Historic Vehicle Declaration" and post it to me at my home address (See page 2 of this Flat Chat for my address) along with an indication that your car is roadworthy or a copy of the pink slip. Please include a stamped self-addressed envelope. There is no need to send me the registration certificate. Do not post me the documents by Registered Post as that just slows down the process as I have to go to the post office to accept a registered postal item.
- Once returned, either go to your local Services NSW office to do the renewal or post to Transport for NSW in Parkes. That address can be found on the registration papers.

As with any Australian birthday celebration, a suitable repast was provided in the form of a BBQ and plenty of cake. Again thanks to the Penmans, and

especially to Geoff Smith, Mal French and Bruce Ewan who slaved over a hot BBQ to make sure there was sufficient cooked for everybody. Thanks also to Muriel Roberts, Christine Lyttle and Caroline Quinn for making sure all the bread was buttered.

Thank you also to Graham Healey who reminded us why we were all there, by saying a few well chosen words about his grandfather, Donald Mitchell Healey.

A most enjoyable day!

Graham Healey

A Sad Month

I have had the fortune of putting together Flat Chat for quite a few years but I can't recall such a sad month like we have just had.

During the last month we have lost three members – Peter Burge-Lopez, Jennifer Sell and Terry Bancroft. Many thanks to Christine Lyttle, Joe Armour and Jim Phillips for their assistance in putting together the following.

Vale Jennifer Sell

Jennifer Sell was the wife of AHOC founding and life member Warwick Sell. Fellow life member Joe Armour recalls the first time he met Jennifer and Warwick Sell. He was arriving at the Oran Park racing circuit at the same time as the Sells arrived. They had not previously met and Jennifer ask Joe if he would like to join an Austin-Healey club. Joe was interested, but he said that he had been looking for one, but couldn't find one. Jennifer said there wasn't one, but asked Joe to visit the pits after the race meeting, meet Ross Bond and talk about starting one.

Our club was formed soon after and Jennifer took a leading role in undertaking the administration of the fledgling AHOC. Jennifer worked closely with Warwick in setting up the initial meetings and the initial newsletter. While Warwick was one of the driving forces behind the early days of the AHOC, Jennifer was alongside providing support.

Jennifer continued in that support through the days of a growing family and Warwick's business exploits. Once their children arrived (Cameron and Lincoln), they stepped back a bit, but returned to the Club to continue their support, together with children both AHOC members along with their wives Belinda and Karina.

Our condolences to Cameron, Lincoln and families.

Vale Peter Burge-Lopez

Peter Burge-Lopez joined the club many years ago while Anne Read was membership secretary and then dropped out for a time while his 100 BN1 was being restored. Peter rejoined the club back in 2011 together with his wife Patricia and they attended runs and gatherings when time permitted. He enjoyed his 100 and particularly enjoyed the annual All British Day and I can remember Peter saying how he loved driving his Healey.

On 31 May we heard from Patricia Burge-Lopez that Peter had died after not being well for the past 12 months.

Our condolences to Patricia and family

Vale Terry “Bangers” Bancroft – 26 June 2023

Terry “Bangers” Bancroft has been a member of the AHOC since 1982 and was a past president, regalia officer and a very worthy life member. Terry was a stalwart of the AHOC, from the moment he joined together with his wife Patricia and continued to do so right up to not long before his death by organising the Silo Run scheduled for September this year. Together Terry and Patricia attended national rallies throughout Australia and particularly enjoyed joining with fellow Austin-Healey owners in rallies in the US and Canada. When our club was not in a good financial situation it was Terry (with Pat's assistance who was always at his side) conducted raffles for the club to ensure there were sufficient funds available when needed. It is thanks to Terry that the AHOC headed in the direction for a healthy bank account. Terry was adept at organised such wonderful runs as

Jennifer and Warwick Sell at the AHOC's 50th Anniversary

Sad cont'

the Brass Monkey, convoys to rallies and of course tours to Tasmania. It would have been rare for the Bancrofts missed a monthly meeting or any Austin-Healey event for that matter. Over the last couple of years Terry would organise to be driven from his home by Alan Mitchell who would drive from his home in the Southern Highlands.

Terry Bancroft was the sort of member that every car club needs. Always prepared to get stuck into whatever was required with sleeves rolled up without any thought for himself. There are many stories to Terry and Pat Bancroft and I am pleased to say that they will be included in the next issue of the Australian Austin-Healey.

Terry will be sorely missed, not only by the AHOC, but also by the individuals within the club who were privileged to have known him and called him a friend.

Messages

Wayne Watkins

I first met Terry Bancroft 41 years ago, when I was having a garage sale at my house in Epping Road North Ryde. I had decided to move to the Byron Shire and was selling all of my possessions, including my 100 BN1, Austin Sheerline, old ex-QANTAS bus motorhome and all of my accumulated car spare parts. As it was a long time ago, before mo-

bile phones and Gumtree, I had no idea how Terry knew that I had a cylinder head that I rescued from a dumped Austin A70 in the Gold Coast tip, using a Woolworths shifter and a few basic tools. He was a very likeable bloke and we immediately clicked and I remember giving him a few other brand new Austin-Healey parts that I purchased from an old servo in Concord Road. He had an Austin-Healey 100 that desperately needed a cylinder head and I don't remember how much money changed hands, if at all.

I then moved up north and I did not see him again until I returned to Sydney and went to an AHOC meeting around 2016. He remembered me and we had a few chats as is the Austin-Healey way with old mates. I visited his immaculate property last year and he showed me around and all of his cars were as immaculate as his property, including a few imports, an Austin-Healey, TVR and an American car. It was extremely sad news when I learned of his death yesterday, but hope he joins others in that Healey Heaven in the skies.

Richard Horwood

It was March 1984, I was standing in Pickles Auction Room at Glebe eyeing off the rear view of John Laws' Austin-Healey 100 in all its Red Pepper glory. Deep in thought. Will I or won't I????

The price guide was \$10-12 K. Was it worth it ??? My conscience was bothering me. Then came a resonating, authoritative voice and we all know what a member of the constabulary sounds like.

Sure enough, it was HE! As I wheeled sharply around to locate the source, yes, Bangers had snuck around behind me. "Are you intending to bid on that car, young fella?" Was the accusation!

So there he was, standing to attention in full police motorcycle regalia, replete with black knee high leather boots and helmet tucked under his arm. A most daunting site indeed.

I replied. "It is under consideration Officer!" As I was unsure of his motives. They were soon revealed, as he responded....." Well, if you do, the requirement will be to join the AHOC of NSW forthwith! (or words to that effect)

Sad cont'

Greatly relieved I replied. "That will be OK by me!" The rest is history, and such an enjoyable journey it has been, with almost 40 years of Club participation ensuing, with Bangers and I exchanging friendly repartee over our "dubious" occupations.

We shared many a good time at various interstate, international and local Austin-Healey events where his generosity to participants in the Austin-Healey cause was always on show for all to see. He was a larger than life, magnetic character.

We have lost a "good man", and a stellar human being, one devoted to Family foremost, and a stalwart of his beloved AHOC of NSW. I believe he considered us his "Flock" and he tended us accordingly.

Terry's contribution in all aspects of his life will be sorely missed by all concerned. My sincere condolences to Patricia and the extended Bancroft Family.

RIP mate. Tricky.

David and Shirley Mould

("Stalwart" - strongly built, sturdy, courageous, resolute, determined – Concise Oxford Dictionary)

Terry "Bangers" Bancroft was a stalwart in every sense and definition of the word. His booming voice, his presence, his attitude and his generosity all made him one of the greatest Club Members the AHOC of NSW has ever seen.

We have lost a true friend, and great Club Member with his passing.

We send our deepest sympathy to Patricia and her family at this very sad time.

May he rest in peace.

Colin Rule

I bought my first Austin-Healey in 1968, but didn't join the club until November 1980. Not long after I met Terry Bancroft at a club meeting and he was a very enthusiastic member with a dark blue BN2.

Terry was the first person in all the Australian clubs to start up regalia. He was so passionate about his job within the club as Regalia Officer. Terry had a

cutdown Mini van that was full of gear that he would tow to rallies throughout Australia. I think he did that for about ten years.

The role was subsequently vacant for sometime and I came on board about nine years ago and Terry was a real help for me and was really my mentor when it came to regalia and selling and buying. I remember when I wanted to buy some umbrellas, the same design that he had organised years beforehand. He advised me not to buy too many, but I had a special deal for a 100. He said that was too many, but I wanted to do the deal. It's been seven years and I still have them. I should have listened to him.

Terry was not only my mentor, but he was a real friend. I'm going to really miss Terry because he was a sounding board for me and I looked up to him as being my senior. He had a lot of wisdom about him.

It's a real heartfelt condolence to Patricia and her family as we really are going to miss him. The whole Austin-Healey family will miss him terribly.

Terry's favourite saying was "Moving right along!" He is paving the way for us. God bless him.

Bill Metcalf

President of the Austin Healey Owners Club Victoria

President of the NSW Austin Healey Club

Dear Jim,

It was totally unexpected to learn of the passing of Terry Bancroft.

On behalf of the members of the Victorian Austin Healey Owners Club, I would like you to pass on our sincere condolences to Patricia. Once we announce Terry's passing to our members, I'm sure Patricia will receive messages of heart felt condolence.

My first recollection of Terry is when I first joined the Victorian Austin-Healey Club. Terry at that stage was a mentor to myself as Regalia Officer. Time produces friendship, and can truthfully say, Terry was a good friend and I will personally miss his kind face and friendship.

Reginald McNee

McNee Marine Pty Ltd

Sad cont'

I would certainly like to add to Bill's comments here, with my heartfelt condolences to Patricia and all of Terry's Family at this time.

In addition, a great loss to all the Healey Family in Australia & Worldwide.

Posted on the Austin-Healey Owners Club Facebook page

Joe Armour

A truly great person. Terry had time for everyone and worked hard to support the causes he believed in. I still remember our first conversation in the Girl Guides Hall carpark in Lidcombe when Terry and Pat became members of the AHOC. Terry initiated club regalia, the All British Day, Brass Monkey Breakfast and trips to Tasmania and similar events to promote member participation. He arranged club magazines to be bound and saved. Over the years he held many club senior positions. Overseas Healey events were a feature of Pat and Terry's life where they made many long term friends. And he always saw the positive and funny side of life.

Phil Whitton

Lenore Armour likewise Joe Im in Le Mans so please pass on my wishes to Pat. Had many a fun time both in service and out on the bikes.

Patrick and Caroline Quinn

It is indeed a sad and tragic occasion for Patricia and family, plus the Austin-Healey community, not only in New South Wales, but also Australia and throughout the world. Unless there are some serious objections I will include the comments made above in the next issue of the Flat Chat Newsletter.

Kim Aubanel

Vale Terry...sending love and condolences to Pat. I first remember meeting Pat and Terry through my parents as early members of the NSW club and remember Terry's deep and booming voice and laugh at many events...it was always easy to spot him in a crowd or just listen out for him...happy memories

Neil Tregea

Although we only saw Terry on an annual basis at Club Rallies or meets, he always left a lasting impression on us slightly younger folks. Terry was always in attendance. he will be sadly missed and our

sincere condolences to Pat & family. Our Qld group for EHM2023 still have another month of northern European travelling before we fly home. Many happy memories of Terry.

Gisela Sunday

Sad news. I always liked talking with Terry and Pat.

Joe Jarick

Our condolences to Pat and family on the passing of Terry. He was both a great enthusiast and ambassador for the marque here and abroad. RIP. Joe & Lyn

Patsy-Anne Rowland

Sending love and special prayers to Pat and family
xxx

Jenny Read

Love to all the family we have many fond memories of Terry especially when they stayed with us.

Jenny Rudd

So sorry to hear this, my thoughts are with Pat and family. Terry will be sadly missed by all.

Paul McPherson

Sincere condolences to Pat, family and all of their AHOC mates across the planet. I have always enjoyed our chats at rallies in Aus and in the US. Terry was a very giving conversationalist. He will be sadly missed.

David Thomson

It is with great sadness I send my condolences to you Pat and your family we have had too few great times all of them memorable David Thomson

Chris Dimmock

Sincere condolences.

Terry and I had some issues about 38 years ago, and didn't start upon the right foot.

But we were both big enough men to put those behind us decades ago.

A legend who will be sadly missed.

See you again on a Brass Monkey Run with Charlie mate!

Edward Jensz

Long time great Rally friend in the Austin-Healey Club - sadly missed and well remembered.

Sad cont'

Bronwyn Veale

Terry and Pat Bancroft have been forever friends to club members from all states. It was lovely to see them at yet another Rally in the Hunter Valley in May. We shared accommodation alongside one another. I was not to know that our chat and the photograph I took would be so significant Rest in peace - you left wonderful memories for us in the Healey movement Terry

Michael A Cumby

My condolences to his family and friends.

Wayne Watkins

He will be sadly missed by his wife , family and everyone in the Austin Healey fraternity here and overseas.

Terry Wade

Certainly a legend of the NSW Healey Club. Always enjoyed catching up with him and Pat at Rallies over the years. Will be sadly missed. RIP big fella!

Alan Mitchell

On behalf of Don Read and the Mitchell family in Australia and UK our condolences to Patricia and the Bancroft family. We all have great memories and experiences with "Bangers" May he rest in peace

Lenore Armour

Oh no. I am so sad to hear this news. Terry was a giant of a man and the cohesion of the club. He championed social interaction and instigated regalia in the days when little existed. Condolences to Pat

Fay Bryant-Hick

So sad to hear, he was a wonderful man and will be missed amongst the Healey clubs! Our heart felt condolences to Pat and the family

Susan Darlington

Condolences, love and light to Patricia and family on this sad occasion, I have great memories of Terry when I was in Healey club and various trips we went on, lots of good memories, God speed Terry rest in peace

Don Manning

Sad news, Godspeed.

Dick Lunney

A wonderful Healey guy who enjoyed life.

Julie Lee

Such shocking news to hear that someone who was always larger than life is now suddenly gone. Our thoughts are with Patricia and the Bancroft family.

Scenes from Le Mans 1953 preparation. Not surprised to see DMH talking to the lady.

From this.....TO.....This
How far along this journey are we? Come and find out!

Why "The Breakout Tour?"

Well, the new airport was in the news a few weeks back and I thought it would be interesting to see what is happening out there!

Our events to date have been within our regional localities, so it is time to "Break Out" of the geographical boundaries we have set ourselves! Also, I thought both the Illawarra and Southern Highlands have good road access to the western Sydney region.

So, flood me with those responses.

Back to Front and Front to Back

By Patrick Quinn

Are you often asked how come you notice too many minor and trivial things?

There are two things that stick out to me like the proverbial. Firstly, it's the incorrect use of the apostrophe. As an example, how many times do you see a description for plurals such as MG's – WRONG! The apostrophe does not signify more than a single unit.

Basically, the apostrophe is used to indicate either possession (e.g. Fred's book ; the girl's jacket) or the omission of letters or numbers (e.g. can't ; he's or 1 Jul '23).

So, "there were many MG's at the All British Day" is incorrect while "three of the MG's wheels were fitted with new tyres" is correct.

On to the second thing that sticks out to me and that's when the front guard flashes, or fender spears, or front wing flashes on an Austin-Healey are fitted back to front or on the wrong side.

While it's easy to fit front flashes back to front, there is only one correct way and that's (note the apostrophe) the pointy end points to the front of the car and the wider end is to the rear. Any other way is wrong.

A freshly restored car by a reputable UK based restorer.

A side flash on an original unrestored 3000.

The Project - Snippet Three

By Ian Richter

The BN1 Project - Introducing Maude

The expression “Good Lord!” is an interjection or exclamation that a person uses when they are amazed, astonished or shocked by something they have seen or heard.

The expression “Good Lord!” can also be defined as an exclamation used to show surprise.

“Good Lord!”... was the response from Jennifer when the BN1 project rolled off the trailer, followed quickly with, “we have to call her Maude!”.

I’m not all that fussed about naming objects, cars or any other thing for that matter, but it has become standard practice around our house that our wheeled carriages carry names. The lawn mower is referred to as “Big John”; the ute, “Barry”, and even the small excavator I use around the place is called “Dorcus”. So it is not at all unusual that our Austin-Healeys have monikers. Our BJ7 is “Beatie”, and from now on, the BN1 project will be referred to as “Maude”.

Giving titles to our possessions isn’t a new phenomenon. History is rife with examples of named ships, houses and even tools of war. Some Flat Chat Newsletter readers and Austin-Healey owners are also likely to have named their cars. There are volumes of pages written on the psychology of naming objects, although it quickly becomes grey matter overload if you dig too deep. You may drive exactly the same car I drive, but my car is my car; it’s part of me, so

that makes it different. Naming our cars personalises them. I was amused when reading last month’s Flat Chat, and I will quote from Gordon Lynas’ article on the National Rally, “Henrietta (the 100) has only recently returned to us from The Healey Factory.” Gordon, I look forward to introducing Maude to Henrietta in the future. The naming of cars is common practice. My theory of why cars are named is simple; it’s just fun and a bit of personalisation.

The BN1 work goes on, and the enthusiasm or dream of completing the car continues. I like to scratch about on the car (correction - the chassis) an average of about six or so hours a week. How many hours are spent doing a restoration? Don’t do the math on this, it doesn’t bare thinking about. Head down Ian! I’m still in the Restoration honeymoon period.

The replacement boot boxes are in place, mostly completed except for the spot welds on the inner rear guards, where it will meet with the boot floor. This will allow for a little adjustment when the new floor is fixed in place. I can almost hear an intake of breath from the resto experts looking at the attached picture. “What! You welded in your new floor.” Don’t panic, the new floor is only held in with four screws. This was for my satisfaction, a sense of achievement and all show. The new floor will not be welded in place until the rear shroud is attached and aligned.

Project cont'

Chassis work continues. I am aware that this is becoming repetitive, but there is still work to complete. A small job ticked off the list is the repair to the left-hand rear cross-member gusset. The gusset where the exhaust would have attached before the bolts were wrenched out, possibly when muffler hit

something solid. A satisfying repair, but it did take some hours to make the repair piece then pop it in position. Everything you do on the restoration takes hours.

Until the next update, Ian

Oh, I almost forgot, I also welded together the parts to create new inner door sills. All internally primed and painted in preparation for a big leap forward on the bodywork. I know the suspense I have created for all the readers is palpable. However, relax, as it may take a while.

Ian

PRIZE-WINNING AUSTIN-HEALEY—ONLY \$2985

Austin Healey "100" and another stock beauty, the Republic P-47 Thunderbolt

World's fastest production car under 3,000 cc. includes every custom extra at no extra cost—and delivers up to 25 miles per gallon

The flashing new AUSTIN-HEALEY in the picture has been called the greatest sports car buy of all time. In every way it represents remarkable value for your money.

At Bonneville Flats, Utah, a stock AUSTIN-HEALEY "100" broke all American stock car records in Class D at distances from 5 to 5,000 miles! In speed tests over the flying mile, this new sports car won 142.036 miles per hour! (All records certified by American Automobile Association.)

The new AUSTIN-HEALEY 100 is the world's fastest production car under 3,000 cc., yet it costs only \$2985. The styling is superb, as you can see, and the car gives you up to 25 miles per gallon.

In addition, the price includes all Federal taxes and about every custom extra you can think of. Heater, Defroster, Twin carburetors, Tachometer, Three forward speeds plus reverse (i.e., Adjustable windshield, Disappearing all-weather top, Custom fitted leather upholstery, Traction control, Ample luggage compartment. And wire-spoke wheels which cost about \$200 extra on other sports cars.

Why not get an AUSTIN-HEALEY demonstration?

For full information on the AUSTIN-HEALEY and the complete AUSTIN line, as well as the name of your nearest AUSTIN-HEALEY dealer, drop a card to Austin Motor Company Ltd., 27-29 West 57th Street, New York, N.Y. or 609 Gough Street, San Francisco, California.

AUSTIN OF ENGLAND

27-29 WEST 57TH ST., NEW YORK, N.Y. • 609 GOUGH ST., SAN FRANCISCO, CALIF.

I wonder if she paid \$2985 for the 100
would she be sitting on the bonnet.
